Living in Australia

Australia

Australia is an ethnic melting pot. It is a country known for its world-famous natural wonders, diverse landscapes and a vibrant multicultural society that practices almost every religion and lifestyle. Since 1945, more than six million people from across the world have come to Australia to live.

There are 226 languages spoken in Australia – after English, the most popular are Italian, Greek, Cantonese and Arabic. The island continent is almost as big as the USA but has a population of approximately only 25 million people (most of whom live within 50 kilometres of the coast). Australia's coastline stretches almost 50,000 kilometres and has more beaches (over 10,000) than any other country. Inland, there are vast areas of semi-arid and desert areas.

All major cities, and the nation's capital, offer exciting lifestyles, great cultural attractions, and a safe quality of life.

Multiculturalism

More than 100 ethnic groups are represented in Australia, making it one of the most culturally diverse countries in the world. Australia's dynamic multiculturalism can be attributed to its unique combination of indigenous cultures, early European settlement, and immigration from all parts of the world.

Australians value the wealth of cultural diversity and social sophistication that international students bring to our campus and communities. Hawk Institute takes great care in looking after international students and helping them to adjust to the Australian way of life. International students also gain great benefits from their education in Australia and make lifelong friendships.

Language

Although English is the official language, more than 4 million Australians speak a language other than English, more than 800,000 speak an Asian language, the most common being Mandarin, followed by Cantonese and Vietnamese, and another 800,000 speak a European Union language. English, as it is spoken in Australia, is easily understood by nearly all people from other English-speaking nations. As you improve your English, you will learn some of Australia's colourful and often humorous slangs and have fun explaining the meanings to friends and relatives.

Religion

Australia is predominantly a Christian country; however, all religions are represented. Australians respect the freedom of people to practice their choice of religion. Churches, mosques, temples, Gurudwara and synagogues are in most major cities.

Healthcare

Australia has a very good healthcare system. All Australians pay a medicare levy (additional tax) to fund the public health system to ensure that everyone has access to public-system doctors, hospitals, and other healthcare services. People who pay extra into private health insurance funds receive extra privileges when using private healthcare

services. You will find the usual healthcare services available in Australian suburbs including GPs (doctors), dentists, osteopaths, chiropractors, psychologists, counsellors, and many complementary healthcare practitioners too (traditional Chinese medicine, naturopathy, acupuncture, kinesiology, etc.).

International students studying in Australia are required to have Overseas Student Health Cover (OSHC) for the duration of their student visa (refer to student visa obligations, in this section).

Food

Australia has a fantastic variety of food. Its top-quality meat, fish, fruits, and vegetables are exported to markets worldwide. There is a large range of fruit and vegetables available at Australian produce markets.

Students should have no difficulty finding the foods that they are used to at home. Students can have almost every type of cuisine in Australia's many restaurants and cafés. Ethnic restaurants offer cuisines from all around the world. Good food at reasonable prices can be found at bistros, cafés and Aussie pubs. For those who like takeaway, most of the major global fast-food chains are well represented.

Sports and recreation

Australians are very keen on sports and outdoor activities and have gained a worldwide reputation as tough competitors in individual and team sporting events. Australia has more than 800 national sporting organisations and thousands of state and regional sporting bodies. Australians are also enthusiastic about bushwalking, fishing, boating and water sports.

Transport

Australia has an extensive public transport system that includes trains, buses, tramways, ferries, two major national airlines and several regional airlines.

Driving

Tourist students may drive in Australia on a valid overseas driver's license, but if the document is not in English, visitor must carry a translation with the permit. An international driver's license alone is not sufficient. Different states in Australia have different driving licence conditions.

For example, as per the new regulations, in state Victoria (includes Melbourne), International students can use their overseas licence for the first six months of living in Victoria (after that, students will need Victorian licence instead). This rule has been applicable from 29th October 2019. Hence, Students need to have Victorian licence to be able to drive in Victoria.

Taxis

Metered taxicabs operate in all major cities and towns. Students can find taxi ranks at transport terminals, main hotels or shopping centres or can hail taxis in the street. A light and sign on the roof indicate if a taxi is vacant. There is a minimum charge on hiring and then a charge per kilometre travelled. You do not need to tip taxi drivers.

Uber

Uber services are also available at the airport and there is a designated pick-up place available outside the airport for Uber customers.

Telephones and Wi-Fi connections

Australia has a modern telecommunications system with mobile and internet access generally available at low cost. Overseas calls can be made over the internet data which also includes video calling.

Internet data: Free Wi-Fi, non-connections (paid) are available at majority of the places in and around Melbourne.

Airport, few shopping malls have free Wi-Fi available. Most of the shared accommodations have Wi-Fi services available

through which the students can make overseas phone calls, video calls. Students can avail pre-paid and/or post-paid Sims depending upon their suitability and requirements of the students. Lowest pre-paid Sims and plan costs around 10\$-15\$. The cost of pre-paid and post-paid plan keeps increasing as per your requirements, for example, more internet data and overseas calling minutes may cost you more than the plan with less internet and overseas calling minutes.

However, there are many providers like Vodafone which give student discounts.

Budgeting

Students should work out a budget that covers accommodation, food, transport, clothing, and entertainment. Childcare, if applicable, should also be considered. For more information on living in Australia, and costs, visit www.studyinaustralia.gov.au.

Travel

During the term breaks, students may like to venture beyond Melbourne to experience more of Australia's spectacular natural environment and great physical beauty, such as great ocean road, marine parks, and national parks (The Great Barrier Reef, Kakadu, and Uluru), the Queensland rainforests and the pristine countryside and mountains of Tasmania. Student and backpacker travel agents in metropolitan cities offer cheap flights and package deals.

Money and banks

Australian currency is the only legal tender in Australia. When students first arrive, money from other countries can be changed at the exchange facilities located at international airports, banks and major hotels. Travellers' cheques are easier to use if already in Australian dollars, however, banks will cash travellers' cheques virtually in any currency. Major hotels and some shops, depending on individual store policy may also cash travellers' cheques.

It is a good idea to set up an Australian bank account. You will need to provide visa details and evidence of residency. Banking services in Australia are extremely competitive. All major banks have branches in cities and regional centres. Major Banks include ANZ, Westpac, National Bank, Commonwealth Bank. Community banks, like Bendigo Bank are a popular alternative. Most shopping centres have Automatic Teller Machines (ATM) facilities. These machines can be used for deposits and, in many instances, withdrawals 24-hours-a-day. Many department stores, supermarkets and specialist shops have electronic transfer terminals (EFTPOS) where cash withdrawals can also be made in addition to purchasing goods.

More information on banking is available at www.studyinaustralia.gov.au. Normal bank trading hours are from Monday to Thursday - 9.30 am - 4.00 pm, Friday - 9.30 am - 5.00 pm and some banks are open Saturday mornings. The timings may vary.

Credit Cards

Credit cards are widely accepted around Australia. The most accepted credit cards are Visa and MasterCard.

Currency

Australia uses a dollars and cents system of decimal currency with 100 cents in a dollar. The banknotes in use are \$5, \$10, \$20, \$50, and \$100. Coins used are the silver-coloured 5 cent, 10 cent, 20 cent and 50 cent coins and the gold-coloured \$1 and \$2 coins.

Tipping

Tipping is not the general custom in Australia and service charges are not added to accounts by hotels and restaurants.

Finding Accommodation

The following types of accommodation are available for international students.

Home Stay

This option is an opportunity for students to live in a private home, with a local family, couple or single person and learn about Australian life. You may need to compromise with living arrangements as you will need to fit in with the household's routines and expectations. You will need to think about the things that are important to you. You may need

to ask about how adaptable mealtimes are in relation to your studies and other commitments. There are different types of homestay arrangements:

Cost: \$235 to \$325 per week

Full Board

Usually includes a furnished room (bed, desk, lamp, and wardrobe), three meals per day and bills (electricity, gas and water, but not telephone and internet). Some homestay providers may even do your laundry.

Cost: A\$110.00 - A\$270.00 per week

Half Board

Usually includes a furnished room (bed, desk, lamp, and wardrobe) and bills (electricity, gas and water, but not telephone and internet). You can use the cooking and laundry facilities in the house.

Cost: A\$ 80.00 - A\$ 100.00 per week

Lease/Rent

Renting an apartment or house is done through a real estate agent. You must sign a contract called "lease" to rent the house, either month-by-month or sometimes a 6-month, 12-month or 2-year lease is required. The lease entitles you to private use of the property for the duration of the lease. The advantage of this is privacy and independence.

You must pay a bond (the equivalent of one month's rent, to cover any damage you may do to the premises).

You are responsible for paying all bills (except council rates), maintenance of the property and providing all your own furniture and household items.

If you choose a house or apartment in a popular area, there will be much competition. The real estate agent selects the tenants who they believe are the most stable and able to meet the requirements of the lease. Cost (shared accommodation): A\$185.00 - A\$440.00 per week (unfurnished)

Credit Transfer

Credit transfer is a process that provides students with agreed and consistent credit outcomes for components of a qualification based on the identified equivalence in the content and learning outcomes between the matched qualifications. Such as:

1. Unit/module is the same i.e., same code and title
2. Unit/module has been reviewed and this results in minor changes to the unit/module code e.g., B to C. This indicates that the learning outcomes of the unit/module have remained the same.
3. Unit/module has been transferred from another training package/curriculum and recorded; however, the learning outcomes remains the same.
4. If the course credit is given, the confirmation of enrolment (COE) issued for that student will indicate the actual net program duration (as reduced by course credit) for that program.
5. If course credit is granted, and it results in shortening of the student's program duration, the Institute will report the change of program duration in PRISMS.

Students who have completed identical units to those in the course they are beginning at other institutions can be given recognition/credit on presentation of a verified transcript, Award or Statement of Attainment issued by any other RTO or AQF authorised issuing organisation.

- Students are requested to apply for credit transfer by the 2nd week of the first term of study in their enrolled course.
- Students must complete the Credit Transfer Application form and submit the application to the Administration department or at the reception.
- The application must include copy of verified Award or statement of attainment copies, all original documents and must identify the units successfully completed including unit codes, unit name and dates of completion.
- Administration Manager or representative/Trainer/assessor will verify the Award or Statement of Attainment, and other original documents submitted along with the Credit transfer application form and will grant credit transfers for identical units that have been identified as being completed at another Registered Training Organisation.
- Verified copies of Qualifications and Statements of Attainment and other documents provided by the students and used as the basis for granting Credit Transfer will be placed in the student files.
- Granting of Credit Transfer will be recorded as a unit outcome and kept in the student's file.
- If Credit transfer is granted, Hawk Institute will provide a written record of the decision to the students to accept and will retain the written record of acceptance for two years after the overseas student ceases to be an accepted student.

An application for credit transfer must be lodged in writing. Application form and more information about credit transfers (Credit transfer and RPL policy) is available on our website or can be obtained from Hawk Institute's reception.

Please Note: According to Clause 3.5 on the Standards for RTOs 2015, when a student presents a superseded equivalent unit of competency for credit transfer for the purpose of reducing the amount of learning required to achieve the qualification or skill set, credit can be granted to that student for that particular unit without needing to map unit outcomes. As a best practice approach, institute may conduct mapping analysis for the units that have been superseded twice or more despite still being deemed equivalent, to ensure that the assessment of competence is still relevant.

Recognition of Prior Learning (RPL)

RPL involves the assessment of previously unrecognised skills and knowledge an individual has achieved outside the formal education and training system. Recognition of prior learning is an assessment process that involves assessment of an individual's relevant prior learning (including formal, informal, and non-formal learning) to determine the credit outcomes of an individual application for credit. To support this type of application evidence of where and how the skills were obtained is required.

Hawk Institute recognises the prior learning of students based on:

- previous training, (includes overseas qualifications).
- formal study and acquisition of a qualification and statements of attainment from another RTO.
- experience in a work environment.
- projects undertaken; and
- Life experience.

Students who believe they already have skills and experience learnt through a job, worked in a position that's enabled the student to undergo industry –relevant tasks, or simply been trained in-house through a company that

students may have previously worked for; you may be eligible to apply for Recognition of Prior Learning. You may be asked for contact details of people who can vouch for your skill level such as supervisors from current or previous workplaces, clients, or personal character references from the community.

An application for RPL must be lodged in writing. RPL application form can be obtained from the website or from Hawk Institute's reception. More information on RPL is available on our website <http://www.hawkinstitute.edu.au/> under CT and RPL policy. Students can speak to Hawk Institute Staff for more enquiries.

Procedures

- An RPL application for students will include all relevant evidence of work experience and where the learning has occurred. Applications will not be accepted unless all required information is included. Students who request an RPL assessment will be advised of the evidence required and suggestions on how to obtain it (e.g., supervisor evidence, previous projects, transcripts of qualifications completed, work experience, in-service training, distance education or open learning, community- based learning, or overseas education, training, or experience etc.)
- All RPL Applications are to be submitted to the administration department/Reception in the first instance along with verified supporting documents. The application and supporting documentation will be copied and placed into the student's file. Hawk Institute will at no time accept and retain original certificates.
- The application will be forwarded to the Administration Manager or representative to be assessed and outcomes will be determined by RPL/qualified assessor.

- The applicant will be notified of the outcome of the RPL. Based on the assessment, the student will be advised that:
 - the application has been granted; or
 - the application has been denied; or
 - further evidence is required
- Where an application for RPL or Course Credit is received by Hawk Institute, Administration Manager or representative or representative will assess the application and provide an outcome to the application within 14 working days of receipt or as soon as practicable where further information is required to determine the outcome. If RPL is approved, the applicant will be marked as "CT or RPL" rather than "Competent" in the transcript of records.
- Where either of the above, credit transfer or RPL applications are received or course credit is approved, the following must occur Enrolment Officer or representative will change student's COE to reflect reduction in period of study. Hawk Institute will provide student with the outcome of the credit application. The students must sign a letter to indicate the agreement with the outcomes of credit transfer or RPL applications and a copy will be kept in the student's file.
- Hawk Institute's Assessment policy will be followed when undertaking RPL assessments.

Application form for RPL can be obtained from the website or from Hawk Institute's reception. More information on RPL is available on Hawk Institute's website <http://www.hawkinstitute.edu.au>. Students can also speak to Hawk Institute Staff for enquiries.

Pathways to Higher Education

Graduates of Hawk Institute may seek credits to the relevant degree programs in Australian universities. Institute has no special arrangements with any Australian university and there is no guaranteed entry into university programs.

Reasonable Adjustment

Students have different needs and often training needs to be adjusted to meet individual student's needs. Adjustments can be made to assessment process, resources, facilities, delivery style and structure of training sessions.

By definition: 'Reasonable adjustment refers to measures or actions taken to provide a student with a disability or special needs, the same educational opportunities as everyone else. To be reasonable, adjustments must be appropriate for that person, must not create undue hardship for the Institute and must be allowable within rules defined by the training package.

In practice, this can translate into:

- adjusting equipment or the physical environment.
- Providing specialised equipment.
- changing the format and layout of training materials, for example using black and white slides instead of colour, using visuals instead of dense text or providing audio instead of visual information.
- allowing breaks for fatigue, medication, or toilet use.
- changing assessment procedures and timing.
- presenting work instructions in diagrammatic or pictorial form instead of words and sentences.
- simplifying the design of job tasks

Hawk Institute does not guarantee that:

Hawk Institute does not guarantee that:

- *A learner will successfully complete a training product*
- *A training product can be completed in a manner which does not meet the requirements of Clause 1.1 and 1.2 of the Standards for RTOs 2015*
- *A learner will obtain a particular outcome where this is outside the control of Hawk Institute.*

- Refuse admission based on disability.
- Accept a student with a disability on less favourable terms than other students (for example, asking for higher fees).

Students with special needs

Hawk Institute's policy on assessment is to give all students an equal opportunity to demonstrate their knowledge and skills. Where necessary and possible, we will decide to take account of a student's special needs by making reasonable adjustments to the training and/or assessment requirements. This does not mean that a student gains any unfair advantage over other students.

Reasonable adjustments will be made to ensure that the participant is not presented with artificial barriers to demonstrating achievement in the program of study. Reasonable adjustments may include use of adaptive technology, educational support, and alternative methods of assessment such as oral assessments.

Reasonable adjustments will be made; however, it will also be ensured that adjustments do not affect the regulatory requirements of physical fitness and the ability to handle or manage automation.

Students will be assessed on their current competencies including literacy and numeracy LLN prior to commencement of the course.

The learning needs identified from the review will form the basis of any adjustment to the training program and appropriate strategies will be agreed with the student. Adjustments made will be recorded in the student's file and will not compromise the competency standards in any way whatsoever.

At all times Hawk Institute strives to fulfil its obligations under Victorian Equal Opportunity Act 2010, Victorian Equal Opportunity and Human Rights Commission and Disability Discrimination Act 1992.

This means that the institute is obligated to deliver and assess students in accordance with the course requirements and to issue appropriate credentials to students who have met the assessment requirements and have been assessed as competent in the units of competency.

This means that the Institute is obligated to deliver and assess students in accordance with the course requirements and to issue appropriate credentials to students who have met the assessment requirements and have been assessed as competent in the units of competency.

Transfer Between Registered Providers

The National Code 2018 restricts the capacity of students to transfer to other providers prior to completing six months of their principal course. Hawk Institute will not actively recruit a student where this clearly conflicts with obligations under standard 7 of the National Code 2018 (Overseas student transfers).

Hawk Institute will not allow students to transfer to another provider within six months of the commencement of their principal course of study in circumstances where the transfer would be detrimental to them.

If students wish to apply for a transfer, they will need to apply at the institute for a release. There is no cost attached to apply for a release; however, students will be required to contact the Department of Home Affairs to seek advice on whether a new visa is required.

All applications will be assessed based on Hawk Institute's Policy, conditions of Enrolment, Fee Payment and Refund Policy, study plan and declaration submitted by the student in their application.

Documented evidence supporting circumstances/reasons for seeking release must be included with the application or email submitted. Please refer to the Hawk Institute's transfer between provider's policy for more details on conditions

where transfer may or may not be provided.

Deferral, Suspension and Cancellation

Students may initiate a request to defer commencement of studies or suspend their studies on the grounds of compassionate or compelling circumstances. Students wishing to defer the commencement of studies or suspend their studies must apply to do so in writing to the institute. Reasons for suspending your enrolment are limited to extenuating circumstances such as:

- Personal illness (e.g., you are going into hospital)
- Bereavement (death of an immediate member of family)
- Serious illness of an immediate member of family.

If you know that you will not be attending classes during the study period, you must contact Hawk Institute and arrange an appointment to discuss your circumstances. After your meeting and after providing documented evidence, supporting circumstances/reasons for seeking suspension or cancellation of enrolment, you will be required to formally apply for the deferral or suspension.

Hawk Institute may decide to suspend or cancel a student's enrolment on its own initiative as a response to misbehaviour by the student. Deferral of commencement, suspension of enrolment and cancellation of enrolment must be reported to the Department of Home Affairs through PRISMS by the institute and this may affect the status of a student visa.

Please refer to Hawk Institute's Deferral, Suspension and Cancellation Policy for more details available on Hawk Institute's website.

OSHC assists international students to meet the costs of medical and hospital care they may need while in Australia. OSHC also includes ambulance cover and limited pharmaceuticals.

Some exceptions may apply if you are a student from Sweden, Norway, or Belgium. If this applies to you, you may have special arrangements under your own national schemes - check with the Department of Home Affairs to find out if special arrangements apply to you and if you are exempt from the requirement to purchase OSHC.

As holding OSHC is a visa requirement, take care to always maintain your cover. If you do fall behind in payments or renewing your cover, you will be able to continue your cover, but you may not be able to claim for services you received while you were in arrears.

If your visa status or Medicare eligibility changes at any time, inform your insurer as soon as possible to find out whether your level of cover is still suitable. When your student visa expires, then you are no longer eligible to hold OSHC. You can then swap over to a residents' cover or to an Overseas Visitors Health Cover plan.

OSHC assists international students to meet the costs of medical and hospital care they may need while in Australia. OSHC also includes ambulance cover and limited pharmaceuticals. The OSHC premium cover must be paid before a student visa is issued.

Hawk Institute can assist you in organising an OSHC cover for you if you wish. Contact our Student Services.

Full Time Study

Overseas students are required to be enrolled in a full-time registered course to undertake study. Australian law requires international students to study a full-time study load. A full-time study load is normally a minimum of 20 scheduled course contact hours per week.

Academic Course Progress

Hawk Institute gives strong emphasis on course progress requirements. It is a mandatory requirement for all the students to attend their classes regularly and achieve satisfactory course progress.

Students must participate in the training as set out in the training and assessment strategy, including (where the strategy requires) participating in scheduled classes, course-related information sessions, supervised study sessions. Hawk Institute checks and ensures that all the required assessments are completed up to that point of time.

Students at Hawk Institute are required to regularly attend classes and achieve satisfactory course progress. Hawk Institute regularly monitors, records, and assesses the course progress of each student for each unit of the course for which the student is enrolled in. Hawk Institute will assess each student's course progress at the endpoint of each study period.

Students who do not meet course progress requirements may be at risk of having their visa status affected. Where requirements are not met, Hawk Institute course progress monitoring procedures will be followed as per the Attendance and Course Monitoring Policy and Procedures.

Unsatisfactory progress is defined as not successfully completing or demonstrating competency in at least 50% of the units in given study period as per your course requirements.

A failure of units in any study period will trigger a review of academic progress by the institute and the implementation of an intervention strategy. Failing a unit means being assessed as 'Not Yet Competent (NYC)' for a completed unit after

one or more opportunities for re-assessment has been provided or a result appeal process has been undertaken. To have the best chance of maintaining satisfactory progress you must:

- Attend all theory classes and pay attention to the work and activities undertaken in class.
- Study the theory and practice the skills that are taught in class
- Ensure that you are present for all assessment activities scheduled by the trainers.
- Make an appointment with the Student Support Officer or Administration Manager if you are having any difficulties with your studies.

In addition to the above minimum requirement, the Institute will implement counselling procedures and an intervention strategy when you think you may be at risk of not meeting the requirements.

Counselling and intervention strategy may be triggered by any of the following events:

- Failing any units in a study period
- Not attending compulsory classes

If students fail to meet the requirements of satisfactory course progress for two consecutive study periods, they will be reported to the Department of Home Affairs.

Please refer to the Attendance and course progress policy available on Hawk Institute's website and/or reception for more details on Intervention strategy, academic progress, extension of course duration etc.

Attendance Requirements

Hawk Institute gives strong emphasis on attendance requirements. Hawk Institute will record and monitor attendance on regular basis, contact students who are not attending classes and identify appropriate support that can be provided to the students. Hawk Institute will ensure that students are provided with full support by implementing intervention strategies so that students can complete their course on time.

Students must maintain satisfactory attendance (i.e., minimum 80% of attendance) throughout the course. Low attendance implies that students might not be able to complete their course on time and this will lead to unsatisfactory course progress. Hence, students are required to attend classes in accordance with course timetables to make satisfactory course progress. Hawk Institute is required to report the students based on unsatisfactory course progress to the department of Home Affairs (DHA).

Note: Students will not be reported based on attendance. However, Low attendance may lead to unsatisfactory course progress which can lead to you being reported to DHA.

Overseas students are required to be enrolled in a full-time registered course to undertake study. For VET courses, a full-time course is a minimum of 20 scheduled course contact hours per week, unless otherwise specified by ASQA. Students are required to participate in and attend the scheduled classes.

If **an overseas student** is not attending scheduled classes, but is making satisfactory progress in their course, then the course duration set may not be suitable for that student—because this implies that they may already have the skills, knowledge, and experience to progress in their course without receiving structured training.

In this case, Hawk Institute **may invite the student to apply for RPL and will reduce the duration of the course to the minimum duration** required given the student's existing skills and knowledge, while maintaining a minimum of 20 scheduled course contact hours per week.

Please refer to the Attendance and course progress policy available on Hawk Institute's website and/or student administration for more details.

Intervention Strategy

Hawk Institute ensures that it identifies, notifies, and assists students where there is evidence that the student is at risk of not meeting course progress and/or attendance requirements. Hawk Institute will provide support to students through intervention strategy to ensure that students are attending classes and achieving satisfactory course progress.

For students at risk of not meeting course progress or attendance requirements, an individual intervention plan will be developed based on the appropriate intervention strategy identified. It will be documented on Intervention Strategy form.

An intervention plan/intervention strategy will include an interview with the Administration Manager or Student Support Officer, and it may include one or more of the following strategies:

- attending counselling.
- English language support.
- reviewing learning materials with the student and providing information to students in a context that they can understand.
- providing extra time to complete tasks.
- Adjusting timetables
- providing access to supplementary or modified materials.
- providing supplementary exercises to assist understanding.
- attending academic skills programs.
- attending tutorial or study groups.
- receiving assistance with personal issues which are influencing progress.
- receiving mentoring.
- referral to external organisations where Hawk Institute is unable to address the identified learning or academic issues:
- being placed in a suitable alternative subject within a course or a suitable alternative course.
- a combination of the above and a reduction in course load.

Change of Address

Upon arriving in Australia, students are required to advise Hawk Institute of their residential address and telephone number and of any subsequent changes to their residential address. It is extremely important that students notify the institute of a change of address as, under Section 20 of the ESOS Act 2000.

Hawk Institute is obliged to serve a notice at the last known address of the student if the student breaches a student visa condition relating to attendance and/or academic performance. The institute may also send warning notices to students that are aimed at providing support to students and prevent breaches of visa conditions.

Hence, students must notify Hawk Institute of any change of their address and contact details within 7 days of change while enrolled at the institute including:

- the student's current residential address, mobile number (if any) and email address,
- who to contact in emergency situations?

Failure to update the contact details to Hawk Institute means that students may not receive important information which may affect their course, their enrolment or visa.

As per Tuition Protection Service (TPS) update, international students are required to update their current address at least every six months. It is the responsibility of students and in their interest to keep their records up to date to ensure they receive important information about their course, fees and possible breaches of their student visa.

Additional information on student visa issues is available on the Department of Home Affairs web site at <https://www.homeaffairs.gov.au>

Student Complaints and appeals procedure

The Institute has a student's Complaints and Appeals Policy and Procedure to provide students with a fair and equitable process for resolving any disputes or complaints they may have.

➤ Informal Complaint Process

Students who wish to make a complaint are encouraged to initially engage in informal discussion about the matter with the staff member/s involved. Any student with a complaint may first raise the issue informally with Administration Manager or Trainer and attempt an informal resolution of the complaint.

Students can choose to make an informal complaint and to comply with the requirements of SRTOS 2015 and the National code, informal complaints will be documented and recorded in the complaints register by the administration officer.

All informal complaints lodged by students will be acknowledged in writing by sending an e-mail to the student. Acknowledgement e-mail must summarise the complaint and any other facts and expectations taken place during informal discussions with the student. It is a requirement of the Standards for RTOs 2015 that the institute maintains written records of informal complaints as well as formal complaints.

Hawk Institute staff involved in the discussion of an informal complaint or appeal will do their best to resolve the matter effectively and quickly. Students who are not satisfied with the outcome of the complaint, they will be advised to register a formal complaint.

What can a complaint be about?

A complaint can be about:

- any aspect of the service provided, or not provided by Hawk Institute
- any aspect of the training and assessment
- the behaviour or decisions of staff, or
- policies and/or procedures of Hawk Institute
- any action by any associate

➤ **Formal Complaint Process**

Students who are not satisfied with the outcome of the informal process can register a formal complaint in writing to the Administration Officer/Complaints Officer. Students can also send an email alternatively to apply@hawkinstitute.edu.au.

Lodging a complaint

To register a formal complaint, a student must complete and fill a Student's Complaints Form to Administration Officer/Complaints Officer providing:

- a clear and detailed statement of the complaint, including the parties involved.
- a suggested solution that the student believes would settle the complaint (E.g., an appropriate solution will focus on achieving a productive study environment or relationship, rather than apportioning blame).
- Complaint will be lodged in a complaint register.

The resolution phase: The Administration Officer/Complaints Officer will determine whether the subject matter falls within the definition of a complaint. This period is called the resolution phase.

The resolution phase will commence within **10 working days** of the complaint being lodged in writing, i.e., assessment of complaints or appeal will commence within 10 working days of it being made and the outcome will be finalised as soon as possible.

Where it is determined that the subject matter falls within the definition, the following procedures will take place:

- **Acknowledging the Lodgement of a complaint**

Each formal complaint lodged by a student will be acknowledged in writing. The acknowledgement will be provided to the student in person and/or sent through the email in writing by student support/admin staff.

The student support/admin staff will forward the complaint for action to the relevant person or department as soon as practicable and should not take more than 10 days. Parties to complaint will not be part of the investigation team.

- **Recording the Complaint**

Details of the complaints will be recorded in Hawk Institute's complaints and appeals register and a copy will be filed in the student's file. The original complaint will be forwarded to the Administration Officer/Complaints Officer.

Administration Officer/Complaints Officer will be responsible for ensuring that all these actions are completed within five working days of the lodgement of the complaint.

- **Acting on Complaint**

All concerned parties will be contacted for investigation. Students will be given an opportunity to respond and present their case with supporting evidence.

Administration Officer/Complaints Officer will set an agenda for the meeting and discuss what steps should be taken.

The right to be accompanied by a support person during the complaints/appeals process: Parties making complaint will be invited for meeting and each involved party may be accompanied and assisted by a support person, according to the principles of natural justice. There will be an attempt to resolve the complaint by using the process outlined by the student for settlement (if appropriate) or through meeting, mediation and/or conciliation.

All the information will be gathered as required to assist with the settlement of the complaint, including, providing the respondent with the statement of the complaint and all the relevant documents.

Complaints will be investigated thoroughly in spirit of natural justice and principal fairness. Best possible resolution will be achieved keeping a student-centred approach based on the facts and documents.

- **Time frame**

Person making a complaint will be informed of the outcome in writing and all the complaints will be finalised as soon as practicable understanding the student's requirements and other matters but *maximum within 60 days of receipt of complaint*.

Where Hawk Institute considers more than 60 calendar days are required to process and finalise the complaint or appeal, the institute will inform the complainant or appellant in writing, including reasons on why more than 60 calendar days are required, and will regularly update the complainant or appellant on the progress of the matter.

If complaint falls outside the definition of complaints: Administration Officer/Complaints Officer will advise the student accordingly. Administration Officer/Complaints Officer may dismiss a complaint if, in their view the complaint is ill advised, misguided, frivolous, malicious or vexatious.

Note: *It is to be noted that Hawk Institute will respond to any complaint or appeal the overseas student makes regarding his or her dealings with Hawk Institute, Hawk Institute's education agents or any related party that Hawk Institute has an arrangement with, to deliver the overseas student's course or related services.*

At the conclusion of the resolution phase, Administration Officer/Complaints Officer will write to both the student and the respondent indicating the outcome of the process and specifying any action that has been agreed upon by the parties as part of that process. Students will be informed about their *Right to appeal* within 20 days of the complaints if dissatisfied with the outcome.

Record the decision: Institute's decision and reasons for the decision will be recorded by Administration Officer/Complaints Officer and placed in the student's file.

If a student is dissatisfied with the outcome of the formal complaint process, students may initiate an internal appeal process by completing a Complaints and Appeal Form from the website <http://www.hawkinstitute.edu.au> or student administration/reception.

➤ **Internal Appeals Process**

Internal appeals may arise from several sources including appeals against refund decisions, assessment outcomes, appeals against disciplinary actions and appeals against decisions arising from complaints. The essential nature of an appeal is that it is a request by student who is dissatisfied with the outcome to reconsider a decision made by Hawk Institute.

An Internal Appeal Process is initiated by a student lodging an Appeal by filling up complaints and appeals Form available from Student Administration and/or Hawk Institute website.

- **Acknowledging the Lodging of a complaint**

Appeals are acknowledged by sending written confirmation of the complaint that is done by Administration Manager or representative.

- **Consideration of Appeal by Administration Manager /Appeals officer**

Where an appeal relates to the following matters, the Student Appeals Form must be lodged within 20 working days (International Students):

- Notification of an intention to report the student to the Department of Home Affairs (DHA) or due to unsatisfactory Course Progress.
- Notification of an intention to suspend or cancel a student's enrolment due to misbehaviour, or other extenuating circumstances (ref. Student Code of conduct).

- **Time Frame and Acting on an Appeal**

Within 10 working days of receiving the Complaints and Appeal Form, the Chief Executive Officer (CEO) will appoint an Investigator or convene a Student Appeal Committee to hear the appeals and propose a final resolution. This Investigator or Committee will not include any person who has heard the original complaint. The Investigator or the Student Appeals Committee will:

- Meet with the student (and support person, if present) and provide the student with an opportunity to present their case with any supporting evidence provided in the meeting at minimal or no cost. At any given meeting to discuss an appeal, students will be given an opportunity **to be accompanied and assisted by a support person**.
- At the conclusion of the meeting, students will be informed about the timeframe within which the institute will provide a written outcome of the appeal. The timeframe will generally be 10 working days. After the meeting, the Investigator or Committee will, impartially, consider all the evidence and decide.

Student Appeal Committee

- Chief Executive Officer
- Administration Manager
- Investigator or nominee appointed by the CEO

**Hawk Institute will ensure that assessment of the complaint or appeal is conducted in a professional, fair, and transparent manner.*

The outcome will be documented and will include the reasons for the decision. If the decision goes against the student, the outcome will include information for the student of **his or her right to an external appeal**. Details of the suitable external appeal bodies will be made available to the student with information at no cost associated with that.

If more than 60 days: Where it is apparent that appeals will take more than 60 calendar days, appellant will be informed in writing, including reasons why more than 60 calendar days are required, and the students will be regularly updated on the progress of the matter.

Recording the appeal: Hawk Institute will keep a written record of the complaint or appeal, including statement of the outcome and the reasons for the outcome with signature and date of student and Training Manager.

A written statement of the outcome of the internal appeal, including detailed reasons for the outcome will be sent to the student.

If matter remains unresolved or student is unsuccessful or dissatisfied with the outcome.

There might be cases where matter is still unresolved after the implementation of above procedures and the internal appeals process exhausted, or if the student is not successful in the Hawk Institute's internal complaints and appeals process. In such cases, Institute will advise the overseas student within 10 working days of concluding the internal review of the overseas student's right to access an external complaint handling and appeals process without any cost charged by Hawk Institute.

Note: Students' enrolment will be kept active until both internal and external appeal is concluded.

➤ **External Appeals Process**

After the student, has been advised of the external complaint handling process and procedure, Hawk Institute will provide students with contact details of the appropriate complaints handling and external appeals body.

Hawk Institute will refer the student to a **Commonwealth Ombudsman** to lodge an external appeal or complain about the decision.

The Commonwealth Ombudsman offers free and independent service for overseas students who have a complaint or want to lodge an external appeal about a decision made by their private education or training provider.

In most cases, the purpose of the external appeals process is to consider whether the registered provider, i.e., Hawk Institute in this case, has followed its policies and procedures, rather than decide in place of the Institute. External appeal authority will be provided with sufficient information within due timelines requested.

For example, if an overseas student appeals against his or her subject results and goes through the internal appeals process of the Institute, the external appeals process would look at the way in which the internal appeal was conducted; it would not decide as to what the subject result should be.

Complaints outcome will be entered in complaints register after external appeals has given a decision and copy of all relevant documents will be attached in that register.

Outcome

If the internal or any external complaints handling or appeal process results in a decision or recommendation in favour of the overseas student, Hawk Institute will immediately implement the decision or recommendation and/or take the preventive or corrective action required by the decision and advise the overseas student of that action or outcome. Written record of the complaints or Appeal and statement of the outcome will be kept and maintained by Hawk Institute.

Examples of an external or independent body or person may include:

- private conciliators or dispute resolution counsellors
- a complaints and appeals body established by a peak industry body
- representatives of Commonwealth and state or territory government departments including the Office of the Training Advocate; or
- Commonwealth and state or territory offices of the Ombudsman may be the appropriate body for a public provider.

IMP NOTE: The Commonwealth Ombudsman is a free and independent service.

The Commonwealth Ombudsman contact details are:

- **Website:** <http://www.ombudsman.gov.au/>
- **Email:** ombudsman@ombudsman.gov.au
- **Contact Number:** 1300 362 072

The Commonwealth Ombudsman investigates complaints about problems that overseas students have with private education and training in Australia.

The Ombudsman (OSO) also:

- Provides information about best practice complaints handling to help private education providers manage internal complaints effectively.
- Publishes reports on problems and broader issues in international education that OSO identify through investigations.

For further information, please visit <https://www.ombudsman.gov.au/How-we-can-help/overseas-students> or contact overseas student ombudsman by telephone, 9am to 5pm Monday to Friday, Australian Eastern Standard Time (AEST). In Australia, call: 1300 362 072 (calls from mobile phones at mobile phone rates). Outside Australia, call +61 2 6276 011.

Appeals related to Deferment, Suspension or Cancellation of Enrolment

Where a student has decided to access the appeals process in relation to deferment, suspension or cancellation of their enrolment, Hawk Institute will not update the student's status or report to the Department of Home Affairs (DHA) via PRISMS until the appeal process is completed.

Hawk Institute is required to maintain all relevant responsibilities until:

- the internal and external complaints processes have been completed and the breach has been upheld.
- the overseas student has chosen not to access the internal complaints and appeals process within the 20-working day period.
- the overseas student has chosen not to access the external complaints and appeals process.
- The overseas student withdraws from the internal or external appeals process, by notifying the Institute in writing.

Note: *Please note that the following procedures do not remove your right to seek other dispute resolution services, or to seek other legal remedies, provided by external bodies, such as, the Dispute Settlement Commission of Victoria, Consumer and Business Affairs Victoria, or the Equal Opportunity Commission Victoria.

Refer to <https://www.ombudsman.gov.au/making-a-complaint/overseas-students>

Students Rights as Consumer

Complaints and Appeals Policy, and Procedure do not remove the right of students to act under Australia's consumer protection laws.

Unique Student Identifier

The Unique Student Identifier (USI) is a mandatory requirement for anyone wishing to complete Nationally Recognised VET qualification as of 1 January 2015. Each time a student completes nationally recognised training, the RTO collects and verifies their USI before they can issue a qualification or statement of attainment. In addition, we are required to include your USI in the data we submit to NCVER.

The USI scheme allows students to access a single online record of their VET achievements. Each person will be assigned with a USI. Hawk Institute will obtain and verify the student's USI at the time of enrolment. Hawk Institute will comply with the Student Identifiers Act 2014.

The USI is an identifier known only to the issuing RTO, the student, and the department. All students undertaking vocational education and training must hold a Unique Student Identifier (USI) and provide it to Hawk Institute during the enrolment process. If students do not provide a USI, Hawk Institute will not be able to issue a Certificate, Statement of Attainment or Transcript for the training. For details on USI, visit www.usi.gov.au.

Hawk Institute Student Services staff can assist you to obtain your USI on request.

USI does not appear on any certificates, statements of attainment or other public documents issued by Hawk Institute. It is in the student's best interest to keep this identifier in a safe place. If the student forgets their USI, it is possible to retrieve the information from the Department's web site www.usi.gov.au.

For more information, please refer to <https://www.usi.gov.au>.

Important Information

Working in Australia

Australian Immigration laws allow students to work for a limited number of hours whilst studying on a student visa in Australia. Students must not work for more than 48 hours a fortnight when student's course of study or training is in session. A fortnight means the period of 14 days commencing on a Monday.

School-aged dependents

Students must maintain adequate arrangements for the education of their school-age dependants who are in Australia for more than 3 months as a dependant on student's visa.

There are requirements for compulsory school attendance for dependents of international students. In Australia, it is compulsory for children to attend school until the age of 16. The choice of schools includes public schools, private schools and religious schools. People over the age of 16 can continue to attend school until they have completed year 12. Dependents of persons holding a student visa may be required to pay full fees in any institute or university that they enrol in whilst in Australia.

- vi. It should also be noted that if the student's enrolment falls within no refund timelines before the agreed start date of the course, then there will be no refund.
For example: If a student enrolls in week 5 before the course start date, he/she will not be eligible for refund as the enrolment falls in no refund time of 5 full weeks prior to the agreed start date of the course.
- vii. If the refund application is approved, refund will be paid within the period of 20 working days after receiving a written notification/claim from the student and relevant forms duly signed by the student.
- viii. The institute must have received funds for any refunds to be made available (i.e., cheques are cleared, telegraphic transfers have been received).

B. STUDENT DEFAULTS

An overseas student or intending overseas student defaults, in relation to a course at the location, if the student himself/herself initiates termination of enrolment like:
the course starts at the location on the agreed starting day, but the student does not start the course on that day (and has not previously withdrawn).

- or
- a) the student withdraws from the course at the location (after the agreed starting day);
- or
- b) the institute refuses to provide, or continue providing, the course to the student at the location because of one or more of the followings:
 - i. the student failed to pay an amount payable to the provider for the course;
 - ii. the student breached a condition of his/her student's visa and his/her visa has been refused;
 - iii. misbehaviour by the student {Note: the student is entitled to natural justice under subsection 47A (3)}

Note: If students do not commence studies in a course (i.e., the student does not start the course on that day) or when they are due to commence and have not notified the institute in writing within 31 days of the course commencement, then student's enrolment will be cancelled based on non-commencement of studies.

A student does not default for failing to start a course on the agreed starting day if he/she does not start that course because of the provider defaults in relation to the course at the institute.

Hawk Institute will pay the refund to the following person:

- a. the student
- b. if a person (other than the student) is specified in the student's written agreement to receive any refund- the specified person.

Hawk Institute will pay the refund within the period of 20 working days after receiving written claim from the student.

A. VISA REFUSAL

If a student's visa application or visa renewal is refused by the Australian Government prior to course commencement, a refund of course fees will be made, and visa refusal refunds will be calculated in accordance with the legislative instrument under subsection 47E (2).

The calculation under subsection 47E (2) is as follows:

The amount of unspent pre-paid fees that the provider must refund the student for the purpose of

Subsection 47E (2) of the Act is the total amount of the pre-paid fees that the provider received for the course in respect of the student less the following amount (the lesser of):

- a) 5% of the total amount of pre-paid fees that the provider received in respect of the student for the course before the default day; or
- b) the sum of \$500.

Whichever is lesser

Students must provide the Institute with substantiated evidence of their student visa refusal.

If an international student currently in Australia has their student visa application refused by the Department of Home Affairs (DHA) after the commencement of their studies; refund will be calculated as follows:

The refund amount = weekly tuition fee x the number of weeks in the default period

a. The weekly tuition fee = total tuition fee for the course / number of calendar days in the course x 7. This amount is rounded up to the nearest whole dollar.

b. Weeks in default period: number of calendar days from the default day to the end of the period to which the payment relates/7

or

The number of weeks in the default period = the number of weeks (i.e., calendar days divided by 7, rounded up to the nearest whole number) in the unexpired portion of the course after the default day, in relation to which Hawk Institute has received tuition fees.

If Hawk Institute has only received an installment of tuition fees for part of the course, the weeks in default period would be the number of weeks between the default day and the end of the part of the course to which the installment relates.

If the number of weeks calculated is not a whole number, round the number up to the nearest whole number.

No refunds will be granted where an international student currently in Australia has their student visa cancelled by the Department of Home Affairs (DHA) for a breach of visa conditions.

B. PROVIDER DEFAULT

I. In the unlikely event that the institute is unable to start or deliver the course (known as provider default), the student can choose to accept either:

i. A refund of course fees, which will be issued to the student within 14 days.

ii. Or be placed in an alternative course with the institute or another provider. If the student chooses this option, they must sign a new written agreement to indicate that they have accepted the placement.

III. If the student chooses to receive a refund of course fees, the institute will calculate the unspent portion of tuition fees paid to date (i.e., tuition fees the student has paid for, but which has not been delivered by the institute). The refund will be paid within 14 working days after the cessation of the course.

III. If the institute is unable to provide a refund or place the student in an alternative course, the TPS will provide the student with options for suitable alternative courses (if any such courses are available), or if this is not possible, the student will be eligible for a refund as calculated by the TPS Director.

I. Refund Process
